

Peel

Total support and undeniable elegance

Design: Olav Eldøy

Concept

Turn, tilt gently back or recline

Rest comfortably with your feet up

Adjust the neck support horizontally or vertically

Your neck and back are perfectly supported in any position

Category

From effortless comfort to unmatched variability, Varier recline chairs offer perfect support and relaxation. Turn, tilt or fully recline. With just the slightest movement your body glides easily from one sitting angle to another. Lock the chair into position, or rock gently into relaxation. No one sits completely still, even when in a relaxed state. Recline chairs from Varier assist steady, gentle movement and re-energises you until you are ready to stand up

Healthy sitting

- Follows the natural body movement
- Whole seat reclines to sit with back support and correct curvature of spine
- Open design enables variable seating positions

varier®

Benefits

Seat Shape

- Comfortable to vary and find individual sitting positions, beyond the ordinary
- Open space between seat and back gives good lumbar support and room for movement of arms
- Airy appearance and design
- Great visual shape

Tilting Mechanism

- Follows the body's natural movement
- Range from upright to lounge position
- Gives the possibility for smooth, rocking tilt
- Activate muscles and blood stream
- Calming
- Shift positions effortlessly

Adjustable neck-rest with a horizontal and vertical movement

- Gives flexibility to the user
- Adjust it to how you would like to sit
- Broad and curved shape gives good support in many positions

360° rotation

- Adds to movement and variation
- Switch positions effortlessly
- Find individual sitting positions
- Easy to get into and out of the chair
- Comfortable in use

Footrest

- Particularly high for better comfort and improved blood circulation
- The shape allows you to support feet in lower position as well

Simple construction

- Few parts
- Easy to assemble

Moulded Polyurethane Foam

- Accurate, precise shape
- Optimal sitting comfort
- Shape integrity
- Emphasizes the chair design
- Non-allergenic and environmentally friendly

Open construction

- Freedom to move
- Freedom to vary
- Air to the body
- Easy to clean – no dust and litter between back and seat

Overlock seam, French

- Nice handicraft
- Stability
- Durability
- Strength in seam

No visible screws

- Nice design
- Gives an exclusive impression
- Easy to assemble

No sharp edges

- Comfortable to vary
- Comfortable in use

On the market for more than 10 years

- Does not follow trends
